# Why You're Needed

61 million adults in the U.S. live with a disability.

We served over 6,000 persons with disabilities last year.

Our Recovery Learning Community helps over 100 people per month to heal from mental health challenges.

Massachusetts has one of the highest percentages of people with disabilities, ages 18-64, residing in nursing homes.

We help people move out of or avoid entering nursing homes.

Of the students in the U.S. almost 10% of them have a disability.

Our Youth Program provides comprehensive services to students such as:

- Peer Support & Mentoring
- Self-Advocacy Skills
